Kurzbeschreibung" ... fearlessness has got nothing to do with being unafraid. Its about doing things anyway, getting on with it, living, whether youre afraid or not... Courage is about being who you are with your whole heart."Fuzzy-haired, neurotic, cello-playing Catrina is devastated when her lover, Jack, leaves her to go surfing on the other side of the world. Trapped in a dead-end job and torn by his departure, Catrina dreams of running away. But how do you run away when youre flat broke? Luckily, her friend Andrew comes up with a plan: theyll get an old van, turn it into a camper and busk their way from Norway to Portugal, via the midnight sun. When Andrew is killed in a tragic accident Catrina decides to go it alone, with disastrous consequences. Until her experiences on the road gradually teach her the real meaning of love, courage and above all else, the importance of following her dreams. This is an unforgettable story of a journey like no other a deeply emotional and inspirational debut by a unique storyteller. Pressestimmen' A memoir about a woman struggling to make sense of death and in the process transmuting grief into meaning. It is also a tale of female courage and discovery. Read this book if you have ever loved and lost a person you loved. It will inspire you to find a path through loss and come out the other end.
