Von Omar Khayym : The Rubaiyat of Omar Khayyam (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Rubaiyat of Omar Khayyam (English Edition):

Von Ein Kunde I first read this work of art a month ago, and many times after that. My parents were surprised that I, being 14 years of age, liked it, although I think anyone with a bit of an understanding towards life would enjoy it. Being Persian myself, and knowledgeable towards the history of Omar Khayyam and his time, I read this book in Persian, English and French. Although I think that without doubt anyone

who is able to should read the Persian edition, the English translation did not lose the touch and certain charm of the works. Don't underestimate your children either. I mean hey, give it a shot, they might like it!5 von 5 Kunden fanden die folgende Rezension hilfreich. StunningVon Alexander PhillipsAfter reading "The Rubaiyat," I was absolutley stunned. I have never read a more beautiful commentary on life and the world. This book's language and symbolism speaks to every human being on a very special, very personal level. I'd recommend it to anyone.4 von 4 Kunden fanden die folgende Rezension hilfreich. Wish they'd bring out a reprint!Von larousset1893Wishing the edition (yellow border, persian art nouveau lady with lute/vase in hand in cover,hardback) was still in print so I could buy multiple copies, a true treasure , fully illustrated with authentic "oriental art nouveau" (is my best description) pictures , full page, on every even numbered page. rare art, unknown but apparently British Museum worthy, Chughtai is the name. Please, please issue reprint, and publicise it well. Really amazing!!!
