Great reproduction of the originalVon Scott LoveAll the Books of Wonder Oz books are fantastic recreations of the originals with all their color plates and cover art. Even the typeface and page counts are the same. If you're a collector and can't afford to drop \$300 on a beat-up copy of the original, this series is a must!0 von 0 Kunden fanden die folgende Rezension hilfreich. "Seems to me that all we learn is jus' so much gained."
