Von Sara Hantz : The Second Virginity of Suzy Green (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Second Virginity of Suzy Green (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooSuzy's changed her tune. Gone is the former wild child who dressed all in black and got into trouble nearly every day. Instead, she's trying to become more like her sister, Rosie, who just died. She

doesn't want her parents to worry anymore. A change in location lets Suzy start over. Soon she's made friends with popular girls, but things here are very different from back home. For one thing, it's popular to belong to the V-club. Technically, Suzy's not a virgin, but what her new friends don't know can't hurt her, right? Just as soon as her life is starting to settle down and she's accepted into this new and strange world, her past catches up with her. Can she still be accepted for who she really is, or will she lose herself in this new town? With *THE SECOND VIRGINITY OF SUZY GREEN*, author Sara Hantz has written a moving novel about a girl trying to make over her soul without losing herself in the process. Reviewed by: Jennifer Rummel

Kurzbeschreibung This contemporary YA romance features teen lovers, a teen love triangle and a VirginitY Club! Suzy Green used to be one of the coolest nonconformist "almost-Goth" party girls in school. That was before her older sister Rosie died and her family moved state. Not even her best friend would recognize her now. Gone are the Doc Martens and the attitude. All she wants is to be like Rosie - perfect. The new Suzy Green makes straight A's, hangs with the in-crowd at her new school, and dates the hottest guy around. And since all her new friends belong to a virginity club, she joins, too. So what if she's not technically qualified? Nobody in town knows...until Ryan, Suzy's ex, turns up. As the past and present collide, Suzy struggles to find her own place in a world without her sister.
