Von Stephen Millian, Lonore Millian : The Second Wives' Club: Secrets for Becoming Lovers for Life (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Second Wives' Club: Secrets for Becoming Lovers for Life (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Wish it had more substanceVon Ein KundeI read the book at one sitting, because I really needed some advice and help, and

I'm sorry to say I was much disappointed. There were some very specific case studies (which I didn't think had much general applicability), and not much advice on how to deal with problems. There is a great deal of supportive verbiage on how tough it all is, and a lot of general information on how lots of communication is needed, etc., but not much specific. Also, all the cases referred to women who are second wives because of a husband's divorce. I needed and would have appreciated information on how to deal with marriage to someone who has been widowed--it is an entirely different set of problems, but it's no less difficult (possibly it's more difficult), and I know there would be an audience for this. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Must have for second wives and/or second husbands! Von Mary Ann This book has become my new "Bible" that I keep on my nightstand at all times! I have been a second wife for 5 years. Since I began dating my husband we have had lot of problems with his children from his first marriage, his old friends and (especially) from his ex-wife. Although I wish this book had been available years ago, I am grateful that someone finally wrote about this subject. It has already helped us and enriched our lives. The vignettes are about real people and many of the vignettes ring true in my husband's and my life. It's a great book! You'll love it! I even bought one to give my thrice married girlfriend for Christmas! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Enjoying being a "Second Wife" Von Valerie Leibowitz, LCSW As a long time second wife, I found that this book confirmed many of the experiences that I had to learn through trial and error and often tears. It was well written and addressed all the issues that we, as second families, struggle with. I recommend it to all women in my position, especially those just beginning this new adventure. Thank you for sharing your experiences as a second wife. As a professional in the mental health field myself, I have already recommended this book to a client.

Kurzbeschreibung Are you or someone you know a second wife? Are you tired of arguing about your husband's first marriage? The Second Wives Club is the book you've been waiting for. Join the Club and learn the six secrets of successful second marriages. Learn how you can have wedded bliss while avoiding the pitfalls that second marriages bring. Don't be put off by his ex-wife. Help him get rid of his old baggage and make space in your relationship to be lovers for life. Pressestimmen "A most practical nuts-and-bolts book that gives readers simple and understandable tools to improve how they can listen and communicate with each other in more loving and healthy ways." Dr. Gerald G. Jampolsky, MD, author of *Love Is Letting Go of Fear and Forgiveness* "In *The Second Wives Club* you will learn how to move beyond old hurts and resentments by opening your heart to the love a second marriage can bring." Dr. John Gray, author of *Men Are from Mars, Women Are from Venus* "If you don't have children (by choice or by chance) and you've fallen for a man who does, read *The Second Wives Club*. It's a 'Heads up!' to real-life problems you might never anticipate, and it's packed with strategies for solving them." Terri Casey, author of *Pride and Joy: The Lives and Passions of Women Without Children* Kurzbeschreibung Are you or someone you know a second wife?
