Von Frances Hodgson Burnett : The Secret Garden (Unabridged Start Publishing LLC) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Secret Garden

(Unabridged Start Publishing LLC) (English Edition):

Kurzbeschreibung A beautiful story about friendship, secrets, and the human spirit, *The Secret Garden* tells the story of the courage of two unhappy and withering children who become determined to make their lives, and the lives of others around them, more joyful. Orphaned Mary Lennox is sent to live in her uncle's house on the Yorkshire moors, and the house is an unhappy one. Miserable and lonely, Mary starts to explore the house's gardens and she discovers a key to the secret garden..deMistress Mary is quite contrary until she helps her garden grow. Along the way, she manages to cure her sickly cousin Colin, who is every bit as imperious as she. These two are sullen little peas in a pod, closed up in a gloomy old manor on the Yorkshire moors of England, until a locked-up garden captures their imaginations and puts the blush of a wild rose in their cheeks; "It was the sweetest, most mysterious-looking place any one could imagine. The high walls which shut it in were covered with the leafless stems of roses which were so thick, that they matted together.... 'No wonder it is still,' Mary whispered. 'I am the first person who has spoken here for ten years.'" As new life sprouts from the earth, Mary and Colin's sour natures begin to sweeten. For anyone who has ever felt afraid to live and love, *The Secret Garden's* portrayal of reawakening spirits will thrill and rejuvenate. Frances Hodgson Burnett creates characters so strong and distinct, young readers continue to identify with them even 85 years after they were conceived.
