Von Lucy Wadham : The Secret Life of France (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Secret Life of France (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 2 von 2 Kunden fanden die folgende Rezension hilfreich. Secret life of France Von Prof Dr Jae-il Kim The book is easy reading and amusing but narrations are not secret at all. So many ways of sophistications in the French life is often admired by many Germans but often viewed by English less

amusing. However the personal experience is very interesting to read.

KurzbeschreibungAt the age of eighteen Lucy Wadham ran away from English boys and into the arms of a Frenchman. Twenty-five years later, having married in a French Catholic Church, put her children through the French educational system and divorced in a French court of law, Wadham is perfectly placed to explore the differences between Britain and France.Using both her personal experiences and the lessons of French history and culture, she examines every aspect of French life - from sex and adultery to money, happiness, race and politics - in this funny and engrossing account of our most intriguing neighbour.**Kurzbeschreibung**At the age of eighteen Lucy Wadham ran away from English boys and into the arms of a Frenchman. Twenty-five years later, having married in a French Catholic Church, put her children through the French educational system and divorced in a French court of law, Wadham is perfectly placed to explore the differences between Britain and France.Using both her personal experiences and the lessons of French history and culture, she examines every aspect of French life - from sex and adultery to money, happiness, race and politics - in this funny and engrossing account of our most intriguing neighbour.**ber den Autor und weitere Mitwirkende**Lucy Wadham was born in London and educated at Oxford. She has lived in France for the past 20 years.Her first novel, *Lost*, was shortlisted for the Macallan Gold Dagger for Fiction. She is also the author of *Castro's Dream* and *Greater Love*.
