Visions, Dreams, and Open Heavens: This book is Great!! Every believer should read it!

KurzbeschreibungThe prophetic movements in church history and in contemporary life are fed by two mighty streams: the prophet, whose revelation is primarily verbal, and the seer, whose revelation is more visionary in nature. While the role of the prophet is familiar, less is known about the seer dimension. To many people, these visionary prophets remain mysterious, otherworldly, and even strange. Knowledge dispels misunderstanding. Join author Jim W. Goll on an exciting and insightful journey into this lesser-known dimensionthe visionary world of the seer. You will discover the prophetic power of dreams, visions, and life under the open heavens. How does visionary revelation "happen?" Can it be trusted? Where does it fit into the life of the church today? Can any believer become a seer, or is this a prophetic dimension reserved for the specially-gifted? The Seer answers these questions and will move your heart and stir up your hunger for intimacy with God, because The Seer's goal is to reveal the man Christ Jesus!
