Fabulous Magical AdventureVon ElleLaineyThis book is one of my new favourites. It's very similar to Harry Potter in regards to similarities between Thomas and Harry and how they discover the truth about who they are, but it's also wonderfully individual and unique too.In short - I cried. I loved it. I'll be reading it again. With tissues.I cannot wait to read more about Thomas. Whether the rest of the series comes along soon or takes a while, it is sure to be just as great. And I'll be reading it. However, this book, is also as greatly enjoyed on its own.0 von 0 Kunden fanden die folgende Rezension hilfreich. Keine Kopie und nicht nur ein Buch fr JugendlicheVon LisaEin nachgemachter Harry Potter - das war meine Erwartung bis zum Ende des 1. Drittels des Buches. Danach wird klar, das es sich um eine eigenstndige Geschichte handelt, die nur hnliche Ausgangspunkte aufweist wie HP - armes kleines, ungeliebtes Waisenkind stellt sich als was ganz Besonderes heraus.Flssige, schlssige Handlung (Andrews htte viel mehr ausspinnen knnen), die sehr gefllig geschrieben ist und ein schnes Leseerlebnis bietet.Danke an den Autor

I was captivated from start to finish. I don't normally read fantasy novels as I find them a bit too 'fantastical,' but I enjoyed the escapism and adventure in this book." (Steven Ray Montgomery, 5 stars)"A fabulous book, extremely well written and engaging from start to finish. If you like the Harry Potter tales you'll be sure to enjoy this. Just as much fun for adults as children. Thoroughly recommended!"
