Shackling Grace Von Eva Laich Es ist von einem erfahrenen Seelsorger geschrieben. Anregung zu einem wahrlich befreiten Christenleben. Inhaltlich also sehr gut. Stilistisch gut mit einigen Amerikanismen auf die man eingelesen sein mu.

Kurzbeschreibung Lee LeFebre has spent 40 years lecturing, teaching, and counseling Christians in both the US and foreign countries. He taught how to find and experience the freedom that God intended for the believer. He found that the shackling of grace is a universal phenomenon which needed to be confronted. Is another reformation needed because the grace of God has been marginalized? Have Christians been blind-sided and fed lies? Join Lee in discovering God's alternative to today's distorted gospel!

Kurzbeschreibung Lee LeFebre has spent 40 years lecturing, teaching, and counseling Christians in both the US and foreign countries. He taught how to find and experience the freedom that God intended for the believer. He found that the shackling of grace is a universal phenomenon which needed to be confronted. Is another reformation needed because the grace of God has been marginalized? Have Christians been blind-sided and fed lies? Join Lee in discovering God's alternative to today's distorted gospel!

ber den Autor und weitere Mitwirkende Lee LeFebre attended two universities after graduating from Calvin College. He spent his first years as a therapist with severely dysfunctional adolescents. After six years, he realized that the Bible taught that those who came to Christ in Corinth were not only forgiven, but were set free from what today would require various kinds of therapy. His most serious concern however was Paul's warning to the church that if anyone distorted the gospel, let him be accursed, Galatians 1:8. In answer to his cry for God's solution for man, God showed Lee the truths contained in this book. Today Lee is President Emeritus of Exchanged Life Ministries in Denver, Colorado. Although retired from his position as a spiritual clinician to individuals and groups, he still teaches and serves on the board of ELM. Lee and his wife Betty live in Denver, have four married sons, 15 grandchildren and one great grandson as of 2013!
