**Von Sam Llewellyn : The Shadow in the Sands (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Shadow in the Sands (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Pre-World War I intrigue and adventureVon sgmetzler@aol.comSam Llewellyn's latest sailing mystery novel is a departure from others he has written. Set in the early 1900 in England - and off the coast of Germany- it is written as the memiors of a young man who captains the racing yachts for "gentleman." Charlie Webb, orphaned before his

teens, starts out fishing for a living and can not understand people who "sail for pleasure" but, for extra money, he agrees to captain a gentleman's yacht. His talent for winning earns him a share of the prize money, and a nautical encounter with the Kaiser. A few years later, that encounter sets up an unwanted assignment by a mysterious Duke, a man Charlie hasn't trusted for a day. This voyage is full of twists and turns, literally and figuratively, right to the last. Written in the first person, using the speech and slang of the early 1900's, the story is still fast-paced and full of sailing detail, but at times, difficult to follow. English readers will have less objection to the prose, and Llewellyn fans will find it worth the effort.0 von 0 Kunden fanden die folgende Rezension hilfreich. believable heroicsVon steven d van winklesomewhat slow but with a constant hint of exciting intrigue and believable action. Vivid descriptions of the sea scape and the "art" of sailing coupled with excellent character development make this story a terrific adventure.0 von 0 Kunden fanden die folgende Rezension hilfreich. A story long toldVon K.Michael Marquardtand told for long before. One of his weakest books. But try it for yourself I have been wrong before...

KurzbeschreibungIt is April 1903, and professional racing yacht skipper Charlie Webb has been summoned to a secret meeting with a mysterious gentleman yachtsman calling himself Carruthers... The Shadow in the Sands is an account of the cruise of the yacht Gloria in the German Frisian Islands in the April of 1903, and the conclusion of the events described by Erskine Childers in his The Riddle of the Sands, the best sailing novel ever written and the world's first thriller.'Masterly, entertaining, witty and utterly gripping' The Oldie'Great... an exciting read' Sunday TimesKurzbeschreibungIt is April 1903, and professional racing yacht skipper Charlie Webb has been summoned to a secret meeting with a mysterious gentleman yachtsman calling himself Carruthers...
