KurzbeschreibungAre you preparing for the Project Management Professional (PMP) exam?This booklet will help you!It is your introduction to the 10 Knowledge Areas from A Guide to the Project Management Body of Knowledge (PMBOK Guide). The PMBOK Guide is the primary document that you have to study for your PMP exam. Unfortunately, it is not a very easily readable document and actually contains quite dry, academic text.The following 10 articles on the other hand give you an easy to understand executive overview. These articles help make The PMBOK Guide much more straightforward and understandable for you.KurzbeschreibungAre you preparing for the Project Management Professional (PMP) exam?This booklet will help you!It is your introduction to the 10 Knowledge Areas from A Guide to the Project Management Body of Knowledge (PMBOK Guide).
