Von Hans Christian Andersen : The Snow Queen (H.C. Andersen Illustrated Fairy Tales Book 1) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Snow Queen (H.C. Andersen Illustrated Fairy Tales Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. amazing pictures and the story is well written Von mommy This book has amazing pictures and the story is well written. Loving it and my children want to hear again and again. The only downside is that most pictures appear on center spreads, so

have to either read or look at the pictures. We like it better when I read, while the kids look at the pictures and are finding various details as the reading goes on. In this respect, the Tinderbox by the same publisher was perfect.² von 5 Kunden fanden die folgende Rezension hilfreich. Mary Engelbreit's "Snow Queen" artwork is ENCHANTING! Von Ein Kundelf you're looking for a special book for any child, look no further; pick up Hans Christian Andersen's "The Snow Queen", illustrated by Mary Engelbreit. This delightful story will not only whisk your child away within its beautiful artwork, it will mesmerize you as well! Mary Engelbreit does it again with her incredible talent, making this book, for our family, a book to be cherished and handed down for many years to come. Her wonderful artwork in this book will captivate whoever reads it and bring a smile to anyone's face! :-) (Also wonderful as a coffee table book!)

Kurzbeschreibung A wonderful story of the power of innocence and of a love that bears all things, believes all things, hopes all things, endures all things. The power of sin is exposed, together with its deceptive effects in our lives. But we also learn about an even greater power the power of faithfulness and love. The Snowdrop
About H.C. Andersen Illustrated Fairy Tales=====Within the fairy tale treasury that has come into the world's possession, Hans Christian Andersen's tales are among some of the most outstanding. His spellbinding stories present deep moral lessons that span both cultural and generational differences. A thread of optimism weaves its way through Andersen's stories, giving hope and inspiration to all readers. It is in this spirit that the Hans Christian Andersen Fairy Tale Classics are published. We have selected 30 of the most popular tales and handpicked the best illustrators for each of them, taking great care to match the style of the illustrator with the specific story. Each tale talks to the heart through both words and pictures uncovering the very essence of life's values.
PressestimmenGr 3 Up Gerda's long journey to rescue her beloved childhood friend Kay from the Snow Queen's entrapment is fully and elegantly presented here. A commanding cover portrait of the steely-eyed queen with the boy wrapped in her intricate icy cloak, both gazing directly at readers, suggests a picture book. But the oversize volume, first published in Ukraine, is more of an illustrated story divided into short chapters. No translator is credited for the smooth narration, which makes few changes or omissions in the telling. Andersen's references to God and the Christ child are gone, but the angels are still here, and the biblical conclusion remains: "Except ye become as little children, ye shall in no way enter into the kingdom of God." The story presents a rich melange of religious faith, magic, good and evil, and a majestic natural world in which humans and animals communicate in speech, along with the fine array of women aiding Gerda's quest. Yerko's sumptuous paintings were prestigiously awarded in his home country. The single- and double-page views and many small vignettes vary in faithfulness to and fanciful departure from the narrative, but they re full of detail, humor, and beauty that invite and reward careful viewing. An image of Gerda mounted on the reindeer truly reflects the snowy ride through Finland and Lapland. The large jaunty crow in human dress, hat, and vest humorously adorned with safety pins, hardware bits, and other found objects is a handsome sight that expands the action in the story. **VERDICT:** This lovely rendering of Andersen's complex tale offers readers much to ponder. It's a splendid choice for library collections, wintry read-aloud sharing, and gift giving.--School Library Journal (12/28/2016)
WerbetextHans Christian Andersen's greatest tale is stunningly illustrated by award-winning artist P. J. Lynch, makes a perfect Christmas gift.
