The Song of Our Syrian Guest Von CHUCK STOCKING This dear book gives a carefully thoughtout and inspired interpretation of the Twenty Third Psalm in the context of the shepherds who lived among the Syrian hills over 2000 years ago. The beloved Psalm comes alive anew as one understands the words as they applied to life then and even now. The spiritual meaning of the passage is explained and a wonderful sense of the Father's care for each of us is

unfolded. This is a very worthwhile book for any sincere student of the spiritual meaning of the Bible.

This slim volume is an interpretation of the Shepherd Psalm as told by a man whose home was among the Syrian shepherds. The author writes that it was told to him by a guest straight from David's land as they sat together one night over fragrant cups of tea.
