Every week I am looking for "just the right" quote to include in the weekly bulletin I publish for my Adult Sunday School class. Every week I reach for "The Speaker's Quote Book." There is a nice variety of humorous and serious quotations and they are logically arranged. My only suggestion: a cross-reference by source name.

Kurzbeschreibung
Everyone who speaks or preaches needs a ready supply of thought-provoking and illustrative resource material. The Speaker's Quote Book provides the attention-getting story or that "just right" quote that adds depth to any sermon or presentation.
