Kurzbeschreibung Break free from this subtle destroyer and reclaim a life of passion and purpose. Pythons have an interesting way of killing their prey. They constrict it until it can no longer breathe, literally suffocating the life out of it. In the spirit realm Satan often works in the same way, slowly slithering his way into our lives, attempting to choke the very life out of us. The python spirit can squeeze the joy out of your worship and prayers. It can pressure you to keep quiet when God wants you to speak up. And it can steal the peace of knowing that you belong to God. But there is a way to defeat him. You dont have to become his prey. The Spirit of Python helps you understand the strategies of this subtle destroyer, how he works, how to detect him, and how to break his hold from your life. You can learn to: Recognize the early warning signs that you are under attack Find the ways you may have unknowingly given him access into your home Bring Gods deliverance and restoration into every area of your life We are in the middle of an unseen spiritual war. God wants to break the coils of the serpent off of your life. He wants to help you breathe again.
