Empfehlenswert Von Shawnkyr Das Buch hat mir sehr gut gefallen, um genau zu sein habe ich es gleich noch einmal

gelesen. Um es einmal grob zusammenzufassen: Man erlebt einen Sommer mit den Kindern der King-Familie und deren engsten Freunden. Erzählt wird die Geschichte von Beverly King, der mit seinem Bruder Felix auf die alte King-Farm geschickt wird, weil sein Vater sich auf eine längere Geschäftsreise nach Argentinien begeben musste. Dort lernt er neben seinen Cousinen Felicity, Cecily und seinem Cousin Dan auch das "Story-Girl" kennen, das bei seiner Tante und Onkel auf der Nachbarfarm lebt und eine weitere Cousine von ihm ist. Das Story-Girl ist eine wundervolle Geschichtenerzählerin, deren Stimme jede noch so langweilige Geschichte in etwas Neues, Aufregendes verwandelt. Beverly erzählt von diesem Sommer, wobei natürlich auch die Geschichten des Story-Girls eine Rolle spielen und man gelegentlich auch dadurch etwas über die Familie King erfährt, aber auch über Nachbarn und Bewohner der Stadt oder auch gelegentlich mal ein Märchen aus fernen Ländern. Die Verschmelzung der Geschichten vom Story-Girl und die Erzählung der Geschichte an sich ist wundervoll ineinander verwoben. Man fühlt sich in die Welt der Kings hineinversetzt, man erlebt mit ihnen einen ganzen Sommer.

 Charming work of literature
 Von Ein Kunde
 This book was excellent. I read it for the first time when I was ten, and was enchanted by all the characters. This book was so charming, and about the sweet, innocent adventures that kids experience over a summer. The story is so very realistic and easy to relate to. This is a timeless story that anyone should take the time to read. This will be a book that will stay with you a long time!

 Annual read
 Von Ein Kunde
 I discovered Montgomery seen years ago, when I was nine, when I begged my mother to buy me the entire "Anne" series. I own every one of Montgomery's books (except for "Pat of Silver Bush", lost at my friend's house); they occupy a special shelf. While I love all of them, a few I have read again and again. Almost every year I find my way "The Story Girl" and "The Golden Road", getting a prickly, wistful feeling that tells me to read them. I could identify with the characters because they were my age, and although I am a bit older now I don't think that I will stop reading them. Sarah Stanley and Bev were always my favorites, but I loved Cecily because she was so sweet, and Peter because he tried so hard. The few "Avolea" shows that I have seen were good, but changed too much from what Montgomery wrote. Other good books from P.E.I.: "The Blue Castle": I love this story because Valancy defies all conventions and creates a wonderful life for herself. I love the descriptions of the Canadian forests and lakes and the evolution of her relationship with Barney. "Jane of Lantern Hill": Also a good movie, this story is very modern in that it deals with separated parents. It is filled with the sweetness that pervades all of her books. "Emily of New Moon": I like her better than Anne, she's quiet and mysterious, feline and shadowy. The triad of books evolves her character realistically, especially her friendships with Perry and Ilse and Teddy.

Kurzbeschreibung*This Book is annotated (it contains a detailed biography of the author). *An active Table of Contents has been added by the publisher for a better customer experience. *This book has been checked and corrected for spelling errors. The Story Girl is a 1911 novel by Canadian author L. M. Montgomery. It narrates the adventures of a group of young cousins and their friends who live in a rural community on Prince Edward Island, Canada.
