Von Mike Raicht, Brian Smith : The Stuff of Legend: Book 1: The Dark before purchasing it in order to gage whether or not it would be worth my time, and all praised The Stuff of Legend: Book 1: The Dark:

KurzbeschreibungThe year is 1944. As Allied forces fight the enemy on Europes war-torn beaches, another battle begins in a childs bedroom in Brooklyn. When the nightmarish Boogeyman snatches a boy and takes him to the realm of the Dark, the childs playthings, led by the toy soldier known as the Colonel, band together to stage a daring rescue. On their perilous mission they will confront the boys bitter and forgotten toys, as well as betrayal in their own ranks. Can they save the boy from the forces of evil, or will they all perish in the process? The Stuff of Legend is a haunting and ultimately redemptive tale of loyalty, camaraderie, and perseverance.This edition includes a brand-new story featuring the Colonels war journal, maps, sketches, and other original material!PressestimmenThis is some of the loveliest artwork Ive seen in a comic book in a long, long time, and a darkly beautiful story to boot.Brian K. Vaughan, author of Y: The Last ManI love it! Its a real page-turner. Economical, effective storytelling, with story and art complimenting each other perfectly and hinting at something darker. Very involving.Frank Quitely, author of All Star Superman**Kurzbeschreibung**The year is 1944.
